## Statement of Faith:

I believe:

- The entire Bible is God's infallible word.
- God exists as three in one- The Father, Son and Holy Spirit.
- Jesus Christ's deity, sinless humanity, virgin birth, atoning death on the cross, bodily resurrection and ascension into heaven.
- The Holy Spirit is given to believers to indwell and empower them to live the Christian life on earth and to seal them for the day of redemption.
- Christ's personal return to earth to establish His kingdom here.
- The resurrection of the body, resulting in eternal life for all true believers in heaven and eternal punishment for all unbelievers in hell.
- Salvation, by faith alone, through grace alone, is found in Jesus Christ alone.
- The church is made up of all true believers from every tribe, tongue and nation.
- It is the responsibility and privilege of all believers to glorify God by telling others of the good news of the gospel, enabling people worldwide to have the chance to know Christ personally.
