

a prayer

for when you feel like giving up

Dear Jesus,

Sometimes the day can't pass quickly enough...

While others fly by at lightning speed.

I can't seem to keep up

With the pace of this world.

I'm tired, Lord.

My heart is weary and my spirit is weak.

I'm trying my hardest

To take the next step

To keep trying

To move on.

But between me and you, Lord,

I feel like giving up.

Help me remember the reason I began

Help me see the purpose behind Your plan

Provide the necessary grace

Keep me set upon Your face

To find strength for that next step

To discover faith to keep trying

To pause for this moment

And then move on.

In Jesus' name,

Amen.
